The Defects Correction Period specified in Appendix 1 to Section I – Form of Agreement in respect of such work, shall commence on the date upon which such reperformance, rectification or replacement was completed in accordance with the CONTRACT.

- (c) The COMPANY may decide that the carrying out by the CONTRACTOR of work necessary to correct defects will be prejudicial to its interests. In such cases or where the CONTRACTOR has failed to correct the relevant defect within a reasonable period (in any case no later than 14 days from the date of identification / the date of the DEFECTS NOTICE, as relevant), the COMPANY may undertake the CONTRACTOR's responsibilities described in Clause 10.2(b). The COMPANY shall notify the CONTRACTOR in such cases and shall be entitled to recover from the CONTRACTOR all costs, expenses, losses and damages reasonably incurred and/or suffered by the COMPANY as a direct result of carrying out such responsibilities.

11. VARIATIONS

11.1 The COMPANY has the right to issue instructions to the CONTRACTOR at any time to make any variations to the WORK (which may include additions, omissions, substitutions and changes in quality, form, character, kind, position, dimension, level or line and changes in any method specified by the COMPANY and/or accelerations to the WORK) (each a VARIATION). The CONTRACTOR shall proceed immediately as instructed and be bound by each VARIATION, unless the CONTRACTOR promptly gives notice to the COMPANY stating (with supporting particulars) that (i) the VARIATION will reduce the safety or suitability of the Works, or (iii) it will have an adverse impact on PROJECT. Upon receiving such a notice, the Employer shall cancel, confirm or vary the instruction.

11.1 A Upon instructing a VARIATION, the COMPANY shall determine any reasonable adjustments to the CONTRACT PRICE. These adjustments shall take account of the principles set out in Clause 11.2 and any estimates provided by the CONTRACTOR.

11.2 Any adjustment to the CONTRACT PRICE resulting from any VARIATION shall be valued at the appropriate rates and prices included in the CONTRACT or, in the absence of any appropriate rates and prices, a fair valuation shall be made.

12. FORCE MAJEURE

12.1 Neither PARTY shall be responsible for any failure to fulfil any term or condition of the CONTRACT if and to the extent that fulfilment has been delayed or temporarily prevented by a force majeure occurrence, as listed in Clause 12.2, which has been notified in accordance with Clause 12.3 and which is exceptional, beyond the control and without the fault or negligence of either PARTY and which, by the exercise of reasonable diligence, the said PARTY is unable to provide against.

12.2 For the purposes of this CONTRACT only the following occurrences shall be force majeure (provided in each case the conditions set out in Clause 12.1 have been met).

- (a) Riot, war, invasion, act of foreign enemies, hostilities (whether war be declared or not), acts of terrorism, civil war, rebellion, revolution, insurrection of military or usurped power;
- (b) Ionising radiations or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel or radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof;
- (c) Pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds;
- (d) Earthquake, flood, fire, explosion and/or other natural physical disaster, but excluding weather conditions as such, regardless of severity;
- (e) Strikes at a national or regional level or industrial disputes at a national or regional level, or strikes or industrial disputes by labour not employed by the affected PARTY its subcontractors or its suppliers and which affect a substantial or essential portion of the WORK; and
- (f) Maritime or aviation disasters.

However, the CORONAVIRUS PANDEMIC shall not be treated as force majeure for the purpose of this Clause 12, other than as provided for in Clause 12.2A.

12.2 A Notwithstanding the foregoing provisions of this Clause 12, a COVID-19 EVENT shall constitute force majeure. The CONTRACTOR shall notify the COMPANY on a weekly basis of the potential impact of any COVID-19 EVENT on the performance of the CONTRACTOR'S obligations under the CONTRACT and of the steps that the CONTRACTOR is taking and proposes to take in order to mitigate and/or avoid the impact of any such COVID-19 EVENT in relation to the performance of such obligations. Notwithstanding any other provisions in the CONTRACT, the provisions set out in this Clause 12.2A shall be the only contractual provisions relating to the CORONAVIRUS PANDEMIC and shall be the CONTRACTOR'S sole relief and remedy in respect thereof under the CONTRACT.

12.3 In the event of a force majeure occurrence, the PARTY that is or may be delayed in performing the CONTRACT shall notify the other PARTY without delay giving the full particulars thereof and shall use all reasonable endeavours to remedy the situation without delay.

12.4 Save as otherwise expressly provided in the CONTRACT, no payments of whatever nature shall be made in respect of a force majeure occurrence.

12.5 Following notification of a force majeure occurrence in accordance with Clause 12.3, the PARTIES shall meet without delay with a view to agreeing a mutually acceptable course of action to minimise any effects of such occurrence.

12.6 If the execution of substantially all the WORK is prevented for a continuous period of 84 (eighty four) days by reason of force majeure occurrence of which notice has been properly given under Clause 12.1, or for multiple periods which total more than 140 (one hundred and forty) days due to the same notified force majeure occurrence, then either PARTY may give to the other PARTY a notice of termination of the CONTRACT. In this event, the termination shall take effect 7 (seven) days after the notice is given, and the Contractor shall proceed in accordance with Clause 24.3.

Upon such termination, the COMPANY shall pay to the CONTRACTOR:

- (a) the amounts payable for any work carried out for which a price is stated in the CONTRACT;
- (b) any cost or liability which in the circumstances was reasonably incurred by the CONTRACTOR in the expectation of completing the WORK;

13. SUSPENSION

13.1 The COMPANY shall have the right, by notice to the CONTRACTOR, to suspend the WORK or any part thereof to the extent detailed in the notice, for any of the following reasons:

- (a) subject only to Clause 13.3, in the event of some default on the part of the CONTRACTOR; or
- (b) if suspension is necessary for the proper execution or safety of the WORK, or persons; or
- (c) to suit the convenience of the COMPANY.

13.2 Upon receipt of any such notice, the CONTRACTOR shall, unless instructed otherwise:

- (a) discontinue the WORK or the part of the WORK detailed in the notice, on the date and to the extent specified, and
- (b) properly protect and secure the WORK as required by the COMPANY.

13.3 In the event of default on the part of the CONTRACTOR and before the issue by the COMPANY of a notice to suspend the WORK or any part thereof the COMPANY shall give notice of default to the CONTRACTOR giving details of such default. If the CONTRACTOR, upon receipt of such notice, does not commence and thereafter continuously proceed with action satisfactory to the COMPANY to remedy such default the COMPANY may issue a notice of suspension in accordance with the provisions of Clause 13.1.

13.4 Unless the suspension arises as a result of default on the part of the CONTRACTOR, the CONTRACTOR shall be paid in accordance with the relevant provisions of Section III - Remuneration or, in the absence of such provisions, the instruction to suspend the WORK shall be treated as a VARIATION in accordance with Clause 11.

13.5 If suspension results from default on the part of the CONTRACTOR, any additional costs reasonably incurred by the COMPANY as a direct result shall be recoverable by the COMPANY from the CONTRACTOR and the CONTRACT PRICE shall not be adjusted.

13.6 The COMPANY may, by further notice, instruct the CONTRACTOR to resume the WORK to the extent specified.

13.7 In the event of any suspension, the PARTIES shall meet at not more than seven (7) day intervals with a view to agreeing a mutually acceptable course of action during the suspension.

13.8 If the period of any suspension not arising as a result of default on the part of the CONTRACTOR exceeds the period stated in Appendix 1 to Section I - Form of Agreement the CONTRACTOR may serve a notice on the COMPANY requiring permission within fourteen (14) days from the receipt of such notice to proceed with the WORK or that part thereof subject to suspension. If within the said fourteen (14) days the COMPANY does not grant such permission the CONTRACTOR, by a further notice, may (but is not bound to) elect to treat the suspension as either:

- (a) where it affects part only of the WORK, an omission of such part under Clause 11; or
- (b) where it affects the whole of the WORK, termination in accordance with Clause 24.1(a).

14. TERMS OF PAYMENT

14.1 For the performance and completion of the WORK, the COMPANY shall pay or cause to be paid to the CONTRACTOR

the amounts provided in Section III - Remuneration at the times and in the manner specified in Section III and in this Clause 14.

14.2 Except where it is expressly provided that the COMPANY shall carry out an obligation under the CONTRACT at its own cost, all things to be supplied or performed by the CONTRACTOR under the CONTRACT shall be deemed to be included in the rates and prices included in Section III - Remuneration.

14.3 The CONTRACTOR shall submit to the COMPANY an invoice within thirty (30) days after the end of each calendar month.

Following completion of the whole of the WORK, the CONTRACTOR shall not be entitled to receive any payment on any invoice received by the COMPANY after the time specified in Appendix 1 to Section I – Form of Agreement as the latest time for receipt of invoices. Nevertheless the COMPANY may, at its sole discretion, make payment against any such invoice.

14.4 All payments contemplated under the CONTRACT are exclusive of Value Added Tax (“VAT”), which shall be charged by and accounted to the relevant tax authority by the relevant PARTY as is required under prevailing VAT legislation. Where an invoice includes an amount on account of VAT, the CONTRACTOR shall issue to the COMPANY a proper VAT invoice, which shall detail separately the proper amount of such VAT payable. Furthermore, the CONTRACTOR will comply with all applicable invoicing requirements regarding the charging and accounting of VAT.

14.5 Each invoice shall show separately the individual amounts under each of the headings in Section III - Remuneration, and shall quote the COMPANY Contract Reference Number, Title and such other details as may be specified in the CONTRACT.

Each invoice shall be forwarded to the address specified in the CONTRACT.

14.6 The due date for payment of each invoice shall be the date of receipt by the COMPANY of a correct VAT invoice properly addressed to the COMPANY and submitted in accordance with clauses 14.3, 14.4 and 14.5 in respect of the relevant WORK performed and/or goods supplied by the CONTRACTOR to the COMPANY. No later than five days after payment becomes due, the COMPANY shall notify the CONTRACTOR of the sum that the COMPANY considers to have been due at the due date in respect of the payment and the basis on which that sum is calculated. The final date for payment of each invoice shall be thirty (30) days following the due date. Subject to clause 14.7, and unless the COMPANY has served a notice under this clause 14.6 it shall pay the CONTRACTOR the sum referred to in the COMPANY's notice under this clause 14.6 (or, if the COMPANY has not served notice under this clause 14.6, the sum referred to in the CONTRACTOR's invoice) (the NOTIFIED SUM) on or before the final date for payment of each invoice. The COMPANY shall make payment in respect of such invoices as follows:

- (a) for payments in Sterling the COMPANY shall make payment of the due amount into the bank account of the CONTRACTOR specified in the CONTRACT or otherwise notified by the CONTRACTOR, using the Banker's Automated Clearing System; and
- (b) for payments in foreign currencies the COMPANY shall make payment of the due amount in the appropriate currency into the bank account of the CONTRACTOR specified in the CONTRACT or otherwise notified by the CONTRACTOR.

14.7 If the COMPANY disputes any items on an invoice in whole or in part or if the invoice is prepared or submitted incorrectly in any respect, or if the COMPANY intends for any reason to withhold any monies for any other reason the COMPANY shall, not less than five days before the final date for payment (the PRESCRIBED PERIOD) give the CONTRACTOR written notice of its intention to pay less than the NOTIFIED SUM (the PAY LESS NOTICE) and request the CONTRACTOR to issue a credit note for the unaccepted part or the whole of the invoice as applicable. The

COMPANY shall be obliged to pay the undisputed part of a disputed invoice in accordance with Clause 14.6. Any PAY LESS NOTICE shall specify the sum that the CONTRACTOR considers to be due on the date the notice is served and the basis on which that sum is calculated.

If any other dispute connected with the CONTRACT exists between the PARTIES the COMPANY may (subject to giving a PAY LESS NOTICE under this Clause 14.7) withhold from any money which becomes payable under the CONTRACT the amount which is the subject of the dispute. The COMPANY shall not be entitled to withhold monies due to the CONTRACTOR under any other contracts with the COMPANY as set off against disputes under the CONTRACT, nor shall it be entitled to withhold monies due under the CONTRACT as set off against disputes under any other contract.

On settlement of any dispute the CONTRACTOR shall submit an invoice for sums due and the COMPANY shall make the appropriate payment in accordance with the provisions of Clause 14.6 and Clause 14.9 where applicable.

- 14.8 Neither the presentation nor payment or non-payment of an individual invoice shall constitute a settlement of a dispute, an accord and satisfaction, a remedy of account stated, or otherwise waive or affect the rights of the PARTIES hereunder.

In particular the COMPANY may correct or modify any sum previously paid in any or all of the following circumstances:

- (a) any such sum was incorrect;
- (b) any such sum was not properly payable to the CONTRACTOR;
- (c) any work in respect of which payment has been made does not comply with the terms of the CONTRACT.

- 14.9 Interest shall be payable on any payment not made by the final date for payment, provided that no PAY LESS NOTICE has been given under Clause 14.7. The amount of interest payable shall be based on the then current annual Bank of England 'Base Rate' plus three percent (3%) per annum and shall be calculated pro rata on a daily basis. Interest shall run from the relevant final date for payment in accordance with the provisions of Clause 14.6 until the date on which actual payment is made. Any such interest to be claimed by the CONTRACTOR shall be invoiced separately and within fourteen (14) days of payment of the invoice to which the interest relates. Payment of the invoice claiming the interest shall be in accordance with the provisions of Clause 14.6 hereof.

- 14.10 If the COMPANY at any time incurs costs which, under the provisions of the CONTRACT, the COMPANY is entitled to recover from the CONTRACTOR, the COMPANY may invoice the CONTRACTOR for such costs, provided always that the COMPANY may deduct the amount of such costs from any amount due, or that may become due to the CONTRACTOR under the CONTRACT.

The CONTRACTOR shall pay the COMPANY within thirty (30) days of receipt of invoice any sums outstanding after such deduction.

- 14.11 For the purposes of Clause 14.10 and elsewhere in the CONTRACT, wherever a PARTY is entitled to recover from the other PARTY any costs incurred, then the amount of such costs shall be the amount of all claims, loss, damages, charges, disbursements, costs (including amounts paid to third parties), overheads and expenses directly resulting from the matter in question, but no element of profit.

- 14.12 Notwithstanding clauses 14.6 and 14.7, if the CONTRACTOR becomes insolvent after the PRESCRIBED PERIOD, the COMPANY shall not be required to pay the CONTRACTOR the NOTIFIED SUM on or before the final date for payment.

15. TAXES AND TAX EXEMPTION CERTIFICATES

15.1 The CONTRACTOR shall, in accordance with the provisions of Clause 18, except as may otherwise be provided in Section III - Remuneration, be responsible for:

- (a) the payment of all taxes, duties, levies, charges and contributions (and any interest or penalties thereon) for which the CONTRACTOR is liable as imposed by any appropriate governmental authority whether of the United Kingdom or elsewhere, whether or not they are calculated by reference to the wages, salaries, benefits or expenses and other remuneration paid directly or indirectly to persons engaged or employed by the CONTRACTOR; and
- (b) the payment of all taxes, duties, levies, charges and contributions (and any interest or penalties thereon) including but not limited to income, profits, corporation taxes and taxes on capital gains, turnover and added value taxes for which the CONTRACTOR is liable, whether arising in the United Kingdom, its territorial waters, its continental shelf or elsewhere, now or hereafter levied or imposed by any appropriate governmental authority whether of the United Kingdom or elsewhere, arising from this CONTRACT; and

- (d) ensuring that any SUBCONTRACTOR or any other person employed, or providing services on or in connection with the CONTRACT shall comply with this Clause 15.

15.2 The CONTRACTOR shall supply to the COMPANY all such information, in connection with activities under the CONTRACT, as is necessary to enable the COMPANY to comply with the lawful demands for such information by any appropriate governmental authority whether of the United Kingdom or elsewhere.

15.3 Not used.

15.4 Where any of the WORK involves the performance of construction operations as defined for the purposes of Chapter III of Part III of the Finance Act 2004 and the Income Tax (Construction Industry Scheme) Regulations 2005 (together, the "Construction Industry Scheme") then the PARTIES shall comply with the provisions of the Construction Industry Scheme.

Payments under the CONTRACT by the COMPANY in respect of construction operations shall be made net of any deductions which the COMPANY is required to make by law.

The CONTRACTOR shall provide the COMPANY with such information about the CONTRACTOR as is required by the COMPANY to verify with the Commissioners of HM Revenue and Customs whether the CONTRACTOR is registered for gross payment or for payment under deduction or is not registered for the purposes of the Construction Industry Scheme and shall provide the COMPANY with any such further information to enable the COMPANY to calculate accurately any deduction applicable under the Construction Industry Scheme to any payments under the CONTRACT.

Where at the due date for payment, the COMPANY has not received such information, all payments will be made

subject to maximum deductions as could be required by law.

The COMPANY shall not be liable to reimburse the CONTRACTOR for any over-deduction under this Clause 15.4 or for any tax arising as a result of the CONTRACTOR'S failure to provide such information promptly or to provide sufficient information.

- 15.5 The CONTRACTOR shall save, indemnify, defend and hold harmless the COMPANY against all levies, charges, contributions and taxes of the type referred to in this Clause 15 and any interest or penalty thereon which may be assessed by any appropriate governmental authority whether of the United Kingdom or elsewhere, on the CONTRACTOR GROUP in connection with the CONTRACT and from all costs reasonably incurred in connection therewith.
- 15.6 If the COMPANY receives a notice requiring it to pay any levies, charges, contributions or taxes of the types referred to in this Clause 15 and/or any interest or penalty thereon whether with respect to the CONTRACTOR, any SUBCONTRACTOR, their respective AFFILIATES or any other person employed by the CONTRACTOR or any SUBCONTRACTOR or providing any services to the CONTRACTOR or any SUBCONTRACTOR on or in connection with the CONTRACT, the COMPANY shall forthwith notify the CONTRACTOR who shall work with the COMPANY to make all reasonable endeavours to make any valid appeal against such payment. If the COMPANY is ultimately required to make such payment, the COMPANY may recover from the CONTRACTOR any such sums and all costs reasonably incurred in connection therewith and the CONTRACTOR shall within fourteen (14) days of receiving written notice from the COMPANY pay to the COMPANY any such sum or the COMPANY shall be entitled to deduct such sums from any monies due, or which may become due, to the CONTRACTOR.
- 15.7 The COMPANY shall save, indemnify, defend and hold harmless the CONTRACTOR against all levies, charges, contributions and taxes of the type referred to in this Clause 15 and any interest or penalty thereon which may be assessed by any appropriate governmental authority whether of the United Kingdom or elsewhere, on the COMPANY in connection with the CONTRACT and from all costs incurred in connection therewith, other than those taxes and other matters referred to above which the provisions of this Clause 15 allow the COMPANY to recover from the CONTRACTOR.

16. OWNERSHIP

- 16.1 The COMPANY shall retain title to COMPANY-provided items and information, including but not limited to, TECHNICAL INFORMATION and materials and equipment.
- 16.2 Subject to the provisions of Clause 17, all equipment, materials and supplies provided by the CONTRACTOR for incorporation into the WORK shall become and be clearly identified as the property of the COMPANY upon delivery to the WORKSITE or payment by the COMPANY whichever is the earlier.

The CONTRACTOR shall ensure that all CONTRACTOR-provided items are free from all liens and/or retention of title claims from any third party.

- 16.3 Title to any equipment, materials and supplies provided by the CONTRACTOR which do not comply with the requirements of the CONTRACT and which are rejected by the COMPANY, shall re-vest immediately in the CONTRACTOR.

Title to such items provided by the CONTRACTOR for which no payment has been made by the COMPANY and which are no longer required for the purposes of the CONTRACT, shall re-vest in the CONTRACTOR.

17. INTELLECTUAL PROPERTY RIGHTS

17.1 As between the PARTIES, the CONTRACTOR shall retain the INTELLECTUAL PROPERTY in the CONTRACTOR'S DOCUMENTS. The CONTRACTOR warrants that all INTELLECTUAL PROPERTY which may subsist in the CONTRACTOR'S DOCUMENTS are now (or shall be on their creation) vested in the CONTRACTOR (or that the CONTRACTOR has or shall then have a suitable licence to use the same and to grant the licence referred to in this Clause) and the CONTRACTOR warrants that all INTELLECTUAL PROPERTY which may subsist in the CONTRACTOR'S DOCUMENTS do not infringe the intellectual property rights of any third party.

17.2 The CONTRACTOR shall be deemed (by signing the CONTRACT) to give to or have procured for the COMPANY a non-terminable transferable non-exclusive royalty-free licence to copy, use and communicate the CONTRACTOR'S DOCUMENTS, including making and using modifications of them with the right to grant sub-licences. This licence shall:

- (a) apply throughout the actual or intended working life (whichever is longer) of the relevant parts of the PROJECT;
- (b) entitle any person in proper possession of the relevant part of the PROJECT to copy, use and communicate the CONTRACTOR'S DOCUMENTS for the purposes of completing, operating, maintaining, altering, adjusting, repairing and decommissioning the PROJECT; and
- (c) in the case of CONTRACTOR'S DOCUMENTS which are in the form of computer programs and other software, permit their use on any computer on the WORKSITE and other places as envisaged by the CONTRACT, including replacements of any computers supplied by the CONTRACTOR.

The CONTRACTOR hereby undertakes to do all such acts and execute such documents as the COMPANY may reasonably require which the COMPANY in the COMPANY'S reasonable opinion considers necessary to achieve the intent of this Clause 17.2.

17.3 The CONTRACTOR hereby waives, and shall procure that each of its SUBCONTRACTOR waive, any rights it may have under Chapter IV (Moral Rights) of Part I of the Copyright Designs and Patents Act 1988 and any foreign corresponding rights in the CONTRACTOR'S DOCUMENTS.

17.4 The CONTRACTOR'S DOCUMENTS and other design documents made by (or on behalf of) the Contractor shall not, without the Contractor's consent, be used, copied or communicated to a third party by (or on behalf of) the Employer for purposes other than those permitted under this Sub-Clause.

17.7 The CONTRACTOR shall save, indemnify, defend and hold harmless the COMPANY GROUP from all claims, losses, damages, costs (including legal costs), expenses and liabilities of every kind and nature for, or arising out of, any alleged infringement of any INTELLECTUAL PROPERTY right arising out of or in connection with the performance of the obligations of the CONTRACTOR under the CONTRACT except where such infringement necessarily arises from the TECHNICAL INFORMATION and/or the COMPANY'S instructions. However, the CONTRACTOR shall use its reasonable endeavours to identify any infringement in the TECHNICAL INFORMATION and/or the COMPANY'S instructions of any INTELLECTUAL PROPERTY right, and should the CONTRACTOR become aware of such infringement or possible infringement then the CONTRACTOR shall inform the COMPANY immediately.

17.8 The COMPANY shall save, indemnify, defend and hold harmless the CONTRACTOR GROUP from all claims, losses, damages, costs (including legal costs), expenses, and liabilities of every kind and nature for, or arising out of, any alleged infringement of any INTELLECTUAL PROPERTY right arising out of or in connection with the performance of the obligations of the COMPANY under the CONTRACT or the use by the CONTRACTOR of TECHNICAL

INFORMATION or materials or equipment supplied by the COMPANY.

18. LAWS AND REGULATIONS

- 18.1 The CONTRACTOR shall comply with all applicable laws, rules and regulations of any governmental or regulatory body having jurisdiction over the WORK and/or the WORKSITE and/or the PROJECT.
- 18.2 The CONTRACTOR shall obtain all licences, permits, temporary permits and authorisations required by the applicable laws, rules and regulations for the performance of the WORK, save to the extent that the CONTRACT specifies such licences, permits, temporary permits and authorisations shall be obtained by the COMPANY.
- 18.3 Should changes in any applicable laws, rules and regulations, including any change in interpretation of the same by a COMPETENT AUTHORITY, made after the EFFECTIVE DATE OF COMMENCEMENT OF THE CONTRACT, result in increases or decreases in the cost to the CONTRACTOR of performing the WORK and provided that such change in any applicable law, rules and/or regulation could not reasonably have been foreseen at the date of the CONTRACT by the CONTRACTOR and/or a prudent and competent contractor experienced in carrying out work on projects similar to the PROJECT, then the CONTRACT PRICE shall be adjusted using such appropriate rates and/or prices included in the CONTRACT, or if there are no such appropriate rates and/or prices then by a fair and reasonable amount.

19. INDEMNITIES

- 19.1 The CONTRACTOR shall be responsible for and shall save, indemnify, defend and hold harmless the COMPANY GROUP from and against all claims, losses, damages, costs (including legal costs) expenses and liabilities in respect of:

19.7 The indemnities given by the parties under this CONTRACT are full and primary, and shall apply irrespective of whether the indemnified party has, or has not, insurance in place relating to any claims, losses, damages or costs in respect of the subject matter of any indemnity given under this CONTRACT.

20. INSURANCE BY CONTRACTOR

20.1 The CONTRACTOR shall procure and maintain as a minimum the insurances set out in this Clause 20 and ensure that they are in full force and effect throughout the life of the CONTRACT. All such insurances shall be placed with reputable and substantial insurers, satisfactory to the COMPANY, and shall for all insurances (including insurances provided by SUBCONTRACTORS) other than Employers' Liability Insurance/Workmen's Compensation, to the extent of the liabilities assumed by the CONTRACTOR under the CONTRACT, include the COMPANY, CO-VENTURERS

Such insurances shall also where possible, provide that the COMPANY shall be given not less than thirty (30) days' notice of cancellation of or material change to cover. The provisions of this Clause 20 shall in no way limit the liability of the CONTRACTOR under the CONTRACT.

- 20.2 The insurances required to be effected under Clause 20.1 shall be as follows (to the extent that they are relevant to the WORK):

29.1 Waiver

None of the terms and conditions of the CONTRACT shall be considered to be waived by either PARTY unless a waiver is given in writing by one PARTY to the other. No failure on the part of either PARTY to enforce any of the terms and conditions of the CONTRACT shall constitute a waiver of such terms.

Subject to the provisions of Clauses 19 and 30, unless otherwise specifically stated in the CONTRACT, both PARTIES shall retain all rights and remedies, both under the CONTRACT and at law, which either may have against the other.

All formal notices in respect of the CONTRACT shall be in English and be given in writing and delivered by hand or by first class post to the relevant address specified in Appendix 1 to Section I - Form of Agreement and copied to such other office or offices of the PARTIES as shall from time to time be nominated by them in writing to the other.

- (b) the COMPANY is entitled to enforce the CONTRACT on behalf of all CO-VENTURERS as well as for itself. For that purpose the COMPANY may commence proceedings in its own name to enforce all obligations and liabilities of the CONTRACTOR and to make any claim which any CO-VENTURER may have against the CONTRACTOR; and

The CONTRACT constitutes the entire agreement between the PARTIES hereto with respect to the WORK and supersedes all prior negotiations, representations or agreements related to the CONTRACT, either written or oral. No amendments to the CONTRACT shall be effective unless evidenced in writing and signed by the PARTIES.

29.9 Mitigation of Loss

Both PARTIES shall take reasonable steps to mitigate any loss resulting from any breach of CONTRACT by the other PARTY.

Notwithstanding any other provision of this CONTRACT, the CONTRACTOR shall not be entitled to any increase to the CONTRACT PRICE, if the additional costs and/or losses arising from the event giving rise to any right to the increase in the CONTRACT PRICE is due to the CONTRACTOR's own breach and the CONTRACTOR shall be subject to a continuing obligation to make reasonable and proper efforts to mitigate such delay, cost and/or losses.

29.10 Invalidity and Severability

If any provision of this CONTRACT shall be found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability shall not affect the other provisions of this CONTRACT and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect. Any sums recovered by either PARTY under an insurance policy taken out pursuant to this CONTRACT shall not be recoverable from the other PARTY.

Any sums recoverable by either PARTY under an insurance policy required to be taken out pursuant to this CONTRACT shall not be taken into account in the calculation of any limitation of liability, irrespective of whether such PARTY has:

- (a) complied with its obligation to take out and maintain such insurance policy; and/or
- (b) recovered sums under such insurance policy .

30.2 Limitation Period

The CONTRACTOR's liability under the CONTRACT shall cease at the end of the period described in Appendix 1 to Section I – Form of Agreement, provided, however, that the provisions of this Clause 30.2 shall not apply to any liabilities assumed by the CONTRACTOR under Clauses 15, 17, 20, 23 and 26, or to any indemnity given by the CONTRACTOR under Clause 19.

31.3 Whilst any matter or matters are in dispute, the CONTRACTOR shall proceed with the execution and completion of the WORK and both PARTIES shall comply with all the provisions of the CONTRACT.

31.4 Subject to Clause 31.5, any claim, dispute or difference arising under or in connection with this CONTRACT or its subject matter or formation shall be referred to and finally resolved by arbitration under the LCIA Arbitration Rules (current at the date the relevant dispute is referred to arbitration), which are deemed to be incorporated by

reference into this clause.

Unless otherwise agreed between the PARTIES, the number of arbitrators shall be three.

The seat, or legal place, of the arbitration shall be London, England.

The language to be used in the arbitral proceedings shall be English.

This arbitration clause shall be governed by and interpreted in accordance with English law.

Any information submitted by the referring PARTY to the adjudicator shall be copied at the same time to the other PARTY. The adjudication shall be conducted under The Technology and Construction Solicitors Association Adjudication Rules current at the date of referral (TECSA ADJUDICATION RULES) thereby incorporating the TECSA ADJUDICATION RULES into this CONTRACT.
- 31.6 Where a dispute between the COMPANY and the CONTRACTOR or any other party engaged on the project is connected to the facts, matters or issues raised in or giving rise to a dispute under this CONTRACT (RELATED DISPUTE) and such dispute under this CONTRACT has been referred to adjudication under Clause 31.5 or to arbitration under Clause 31.4, the PARTIES shall, if the COMPANY so requires by written notice to the CONTRACTOR (copied to the other party) refer the RELATED DISPUTE to the adjudicator or arbitrator (as the case may be) which is hearing the dispute under this CONTRACT.
- 31.7 The CONTRACTOR shall give the COMPANY such reasonable assistance as the COMPANY may require in dealing with any claims made against the COMPANY by any other party engaged in connection with the PROJECT except for any proceedings that are subject to dispute resolution proceedings under this CONTRACT. Such assistance shall include, without limitation, the provision of information and documentation. To the extent that the provision of such assistance requires the CONTRACTOR to provide information or documentation which has not already been generated by the CONTRACTOR in the usual course of business in carrying out the CONTRACT, the COMPANY shall reimburse the CONTRACTOR for any costs reasonably incurred by the CONTRACTOR in providing such assistance. In addition, the CONTRACTOR shall make available its personnel to provide witness evidence and the COMPANY shall reimburse the CONTRACTOR's reasonable costs of so doing.

32. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT

- 32.1 The PARTIES intend that no provision of the CONTRACT shall, by virtue of the Contracts (Rights of Third Parties) Act 1999 ("the Act") confer any benefit on, nor be enforceable by any person who is not a PARTY to the CONTRACT.
